## Editor's Letter

I'm biased – I'll admit it. Every month I think I've crammed the mag full of the finest babes on the planet, but then that's what I'm paid to do. This month, though, I've actually had our art director come up to me and comment on just what a cracking selection of babes I've assembled – and please bear in mind, this bloke's job is to look at top notch babes taking their togs off 24/7 (assuming he neither goes to sleep, nor eats or anything. Assumptions I'm perfectly willing to make for the sake of my argument). Ahem, anyway, if he thinks they're hot, then who am I to argue?!

## Michelle Thorne's

# SPUNKMAIL

Anything to say about our last issue? Then this is the place to do it! Come on, Michelle's gagging for it!

Send me your letters to: Men Only, 23 Lyon Road, Hersham, Surrey, KT12 3PU or mail menonly@paulraymond.com

After a couple of disastrous relationships, I've decided to spend a bit of time enjoying more no-strings sex. Luckily that's particularly easy for me to manage, since I work in sales and travel around the country a lot – the car and hotel room all come courtesy of the firm. I've only been taking this approach for the last four months or so, but I've already had quite a bit of success!

"Verity's hand reached for my stiffening prick and she grasped the shaft..."

Take the girl I pulled last weekend… I'm pretty sure her name was Verity. She was fit: long dark hair, nice tits and a terrific arse. She was working on the till at the café where I had lunch. I was feeling horny and while in the queue I was imagining giving one to a rather curvaceous redhead sitting in a booth with her spotty boyfriend. By the time I'd reached the till, my cock was tentpoling the front of my trousers and, as this Verity girl was seated, she could hardly fail to notice.

She smiled as she gave me my change, before lowering her gaze back to my crotch.

"Happy to see me?" she teased, as my knob strained hard against the constricting fabric of my pants. Before I could think of a witty retort, she scribbled her mobile number on my receipt and told me she finished work at five. It's nice when they just fall into your lap like that!

This girl was game and we were barely in my hotel room when she began ripping my clothes off. I had to slow her down because I only had one other shirt with me and needed it next morning. Verity's hand reached for my stiffening prick and she grasped the shaft, skillfully teasing the skin back and forth. She dropped to her knees with her lips open wide, and I watched her tongue dart out of her mouth as she leaned forward to take my cockhead into her mouth.

The suction of her lips over my sensitive glans was wicked, and her cheeks hollowed as she poked her wet tongue hard against my cock-eye. I was having trouble standing as she pulled my prick harder and harder, her hand becoming a blur as she wanked me into her mouth.

I pulled her head back, my hands buried in her long dark hair, knowing that if she kept sucking me I would come and miss out on sampling her other assets. So, giving her a playful slap on her rump I told her to get on the bed and show me her cunt. Willingly, she hopped on top of the quilt and reached down to spread the front of her pussy open, showcasing the pink moistness between her inner lips. Her fingers forced her clit hood to retract and it poked out proudly like a miniature marble.

Rubbing her finger over it with circular motions, she began to contract her pussy; her breath came in loud gasps as she frigged herself easily to climax. Then, pulling me to her, she rubbed my knob-end against her clit, its hard bud making me feel even hornier. She was gagging for it, and when I teased her by pulling back a few inches she hissed, "Don't tease me – either shove that big cock all the way up me, or I'm off."

Hearing her talk like that turned me on so much, she was in for a right seeing to now! And she was ready, too. Her pussy was gleaming with juices and I wanted to stab my todger into her box on the spot. However, from the way she was behaving I knew she'd been round the block a few times, so I pulled away briefly, and rummaging through my pockets, found a johnny and rolled it on over my tool.

"Her fingers forced her clit hood to retract and it poked out like a marble."

She urged me to hurry up, to bury my knob in her right up to my bollocks. I moved back into position, yanked her legs wider apart, and stuffed the head of my dick against the warm wetness between her meat flaps. Holding her down, I flung my hips back and shunted the entire length of my cock into the demanding little tart's soaking snatch.

### Dear Michelle,

*Men Only* is certainly turning into quite a classy mag, if that opening set of pictures of Holly Gibbons in your latest issue (80.04) is anything to go by.

As you may remember from other letters I've sent over the years *(Yes, I do! – Michelle)* I love nothing more than the sight of a pretty girl in a lair of white hold-ups, and those pictures of Holly ticked those boxes in spades!

And, much to my delight (and unlike a lot of sets I could mention) she kept them on throughout, meaning they were still well and truly on show as she treated us to the sight of her gorgeous smooth fanny.

Congratulations to Holly and everyone at *Men Only* – and let's have plenty more sets like this, please!

*Alan, Crewe.*

**Michelle says: Cheers Alan – of course we're a classy mag. Always have been ;-)**

GIBBON IT HER ALL!

# SAMANTHA

Gingham undies – you don't see them every day, do you, but having looked at the stupendous Samantha Saint in this get-up, we can't help thinking they ought to be more popular than they are! Mind you, you could wrap her up in any old rubbish and, with her gorgeous looks and stunning body, she'd still look a million dollars!

"Well that's very nice of you to say so, but if you don't mind, I'll pass on being wrapped up in any old rubbish! A nice clean pair of panties and a well-fitting bra will do me just fine!"

Alright, we certainly didn't mean to offend. Ahem, anyway, we've seen enough of the bra and the panties now, if you wouldn't mind whipping them off and letting us see what you've got underneath…

...Continued from page 4

I made every effort to give her just what she asked for, ramming her hard and fast, repeatedly slamming into her greedy hole with as much force as my member could take. Without doubt, this Verity bit was the horniest ride I have had in a long time.

She fucked like a feral cat, clawing and scraping my back with her nails as her hips arched up to meet my pumping rod. We couldn't get enough of one another as we strained and ground into and against each other's genitalia. Then her cunt started to contract around my shaft, her pussy muscles constricting like a tightened elastic band as she attempted to milk my balls.

Fortunately, I managed to control the ball-breaking orgasm that threatened to erupt at any moment.

Looking back over her shoulder at me, the saucy tart stuck her tongue out, wiggling it salaciously, before asking me if I wanted to empty my balls inside her mouth. It sounded like a good idea. I jerked my cock free, and she spun around and began sucking the end of my knob through the condom.

I was more than ready to come but I did not want to waste my mess by blowing my load inside the rubber. Rolling the used condom gently off my inflamed penis, I began stroking while she encouraged me vocally to blast the lot over her upturned face. Rubbing as fast as I could, I felt the sperm start to jet up my prick and I aimed it right at her mouth – the force of the first shot causing it to overshoot and land on her cheek and in her hair. But the second and third wads erupted with less force, dripping onto her full, moist lips. Her tongue flicked out to capture the salty white mess and I poked my cockhead into her mouth, hollowing her cheeks as she sucked the last drops from my utterly drained knackers.

Her face was an absolute picture dripping with my come, some of which had stuck to her hair, but once I'd got my breath back I told her that was her lot.

She got cleaned up, dressed and left. My kind of woman!

I guess I'll be wanting another long-term relationship at some stage, but with girls like Verity out there (and, I've found plenty), I don't imagine it'll be any time soon!

*Scott, Birmingham.*

## Dear Michelle,

Wow – I was a massive fan of Sammy Jayne back in the noughties (especially some of the naughty films she made!), and seeing her in your latest issue (80.04) brought all those fantastic memories flooding back – not to mention those fantastic mammaries!

I couldn't believe how incredible she looked in the set – talk about a woman who improves with age! Her lovely body is still the epitome of inviting female flesh, and as for those lovely boobs and that little pink pussy – well, who wouldn't?!

Many thanks for bringing a smile (not to mention a boner) to one very happy reader! And give my regards to the lady herself!

*Ryan, Kingston.*

OH SAMMY!

SPLIT DECISION!

## Dear Michelle,

Loved the pictures of Tommy Jo in those naughty split-crotch panties! Years ago I went out with a girl called Tina, and she was the one who first introduced me to the delights of this particular item of clothing. She never wore anything else, claiming the panties – and the feel of the air on her pussy lips – were guaranteed to keep her in a state of constant arousal. Speaking of my own time with her, I can definitely back that up; she was always as horny as hell, and used to drive me wild by dipping a finger in her honeypot when we were out together and giving me a taste. Needless to say, by the time we got home at the end of an evening, we were both raring to go!

I wonder if Tina's still sticking to her split-crotch panties? I hope so, if only for the sake of whichever lucky bloke she's with these days!

*Mike, Derby.*

**Michelle says: Mmm, I've got a few pairs myself, and they always do the trick for me as well!**

As it burns (at a low temperature, so no risk of scalding!), it turns into a sensuous liquid to rub into your lover's skin. And, as it's made with coconut and jojoba oils, the candle doesn't feel sticky but moisturises beautifully. However, if you're still wary of having warm wax anywhere near your nakedness, why not try the Sensual Touch massage oil? Also infused with Mr. Grey's 'signature scent' and moisturising jojoba oil, just a small amount warmed in the hands will be sure to leave your partner feeling relaxed and very, very sexy…

**Available now from Harmonystore.co.uk**

**£9.99**

Condoms are just condoms, right? Well, not when they are so nicely presented in this fancy Fifty Shades packaging! And what girl wouldn't be suitably impressed when you produce them from your bedside drawer? That would be a rhetorical question, of course. The Foil Packet rubbers are ultra thin, pre-lubricated and magically turn you into Christian Grey when they're put on. Well, maybe not the latter, but the rest is true. And if you and your lady friend are planning on a little backdoor action, why not team those johnnies up with some Fifty Shades At Ease anal lubricant? The non-sticky, super-slippery water-based lube glides on slickly and, as it's infused with aloe vera, it smells good, too!

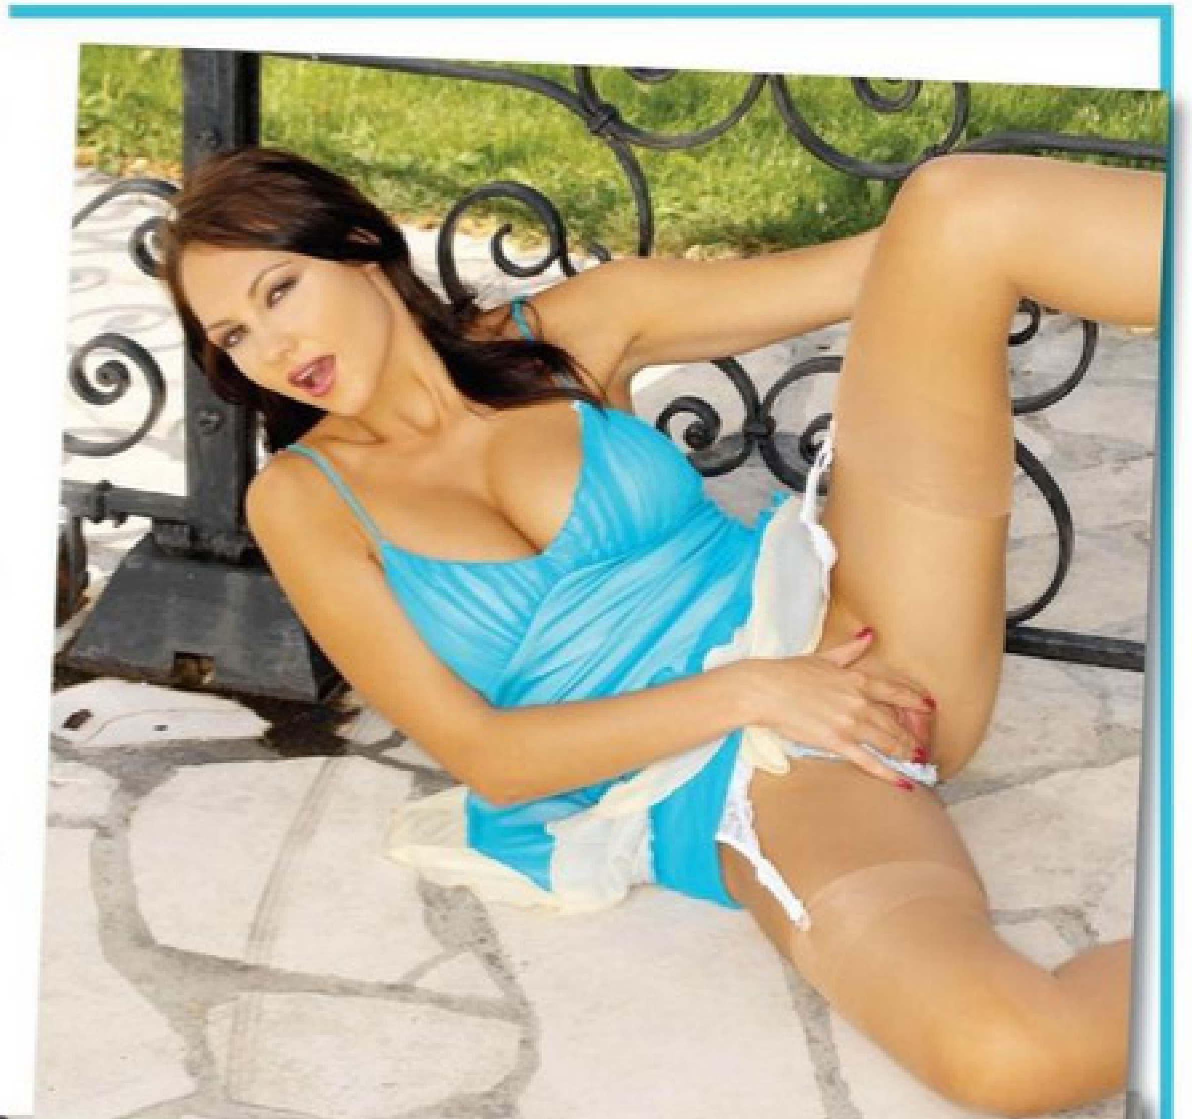
A lovely blue sky, a beautifully appointed holiday villa and the even more beautifully appointed Gabi cavorting around in front of you sporting little but a set of stockings and some lacy panties – can you think of a better way of whiling away an afternoon?

"This isn't a holiday villa!" she tells us. "It's my boyfriend's house. He let's me use it whenever I want to."

Oh, really? What a lucky fellow (in more ways than one!) – but does he know you're using his place to show off your beautiful bod to the readers of *Men Only*?

"Of course he does. He's not the jealous type at all. He loves showing me off, and if other guys show a bit of interest, it just turns him on more!"

Well, if the thought of other guys showing a bit of interest in you turns him on, he should really have the raging horn when these pictures appear in the magazine!



Have you girls been getting up to anything naughty lately? If so, why not write in to us – and if it's raunchy enough to use in Miss Behaviour you'll earn a downturn busting £50!

Real Life Adventures

It took a stranger to get Bex to really shed her inhibitions…

**I am a first year art college student and as well as my studies I have a weekend job at a garden centre and flower nursery. I love the job as I like plants and gardens and it gives me an opportunity to make some much needed cash.**

**Although I am just 18 I consider myself old enough to know what I want sexually. Luckily my looks are good enough, and I'm told my rather innocent appearance turn-on for a lot of guys. I have a sporty body, with perky tits and a well-toned arse.**

> "The cold made my nipples hard as they grew in sensitivity, making the nubs peak..."

At work I have to wear unflattering denim overalls and wellies, so I never thought anyone would give me a second glance. I certainly didn't think that I would find excitement among the flower pots and vegetables.

It was late one Saturday evening and individuals and families were beginning to push their laden carts to the check-outs. My job was to straighten out the displays, and to take any battered plants or broken pots to the potting shed in the back.

I noticed that a tall guy, who had been following me around all afternoon asking advice about plants was still hanging around me at the entrance to the potting shed. So I told him we were shutting in a few minutes and that he should take his cart to the checkout. He pushed it aside dismissively and swung me into his arms, and, as I was too surprised to resist, began kissing me.

Taken aback, but not averse to his handsome looks and such rough handling, I kissed him right back. He was strong and his athletic body pressed against me, making my knickers dampen as I felt his hard cock pressing into me.

Aware of the security cameras, I pulled him into the potting shed and slid the bolt. I knew no-one but me ever came there and I had the key. He caressed my cheek, drawing his fingers down my neck and over my tits. I let out a little sigh of pleasure at his touch and began to unbutton my overalls. He helped me take my arms out of the sleeves and pulled the heavy denim right down to the top of my wellies, so I was just left in my T-shirt and jeans.

Pushing up my T-shirt he unclasped my bra so he could see what he called my "sexy little titties". The cold made my nipples hard as they grew in sensitivity, making the nubs peak and my areolas crinkle in the chilly air.

Pressing me back against the wall of the shed,

he cupped each breast and sucked my erect nipples, and when he pinched one nipple while sucking hard on the other I squirmed in my panties in excitement and fumbled at his zip.

Feeling his cock pushing against the front of his jeans really turned me on and I worked hard to release it. When I did, it was large and erect, and I fingered it almost reverently, becoming excited as I explored further and found that he had shaved his balls.

In response he tugged my jeans down, uncovering my pink cotton panties. Teasing me about the growing damp spot on my panty gusset, he squatted down and began sucking the fabric where the my juices had soaked through. Rubbing the gusset with a finger he sought out my clitoris and began rubbing it through my panties.

> “His fingers ran along the length of my slit, teasing the swollen petals and making my juices run.”

My pussy ached so hard that I found myself whispering to him to fuck me. The shed was so dingy that we choose to fuck in the doggy position with me across the potting bench. With my knickers now around one ankle his fingers ran along the length of my slit, teasing the swollen petals and making my juices run.

When he explored the tiny folds around my clit, I inhaled in expectation, and the stranger did not disappoint. Circling his finger around the sensitive protrusion he made me squirm with delight as my pussy tightened, tingling as it went into involuntary spasm and I started to come, my pussy clenching as he worked his fingers further inside my slit and began to frig me to a fantastic climax.

With my legs parted wide and my arse poking in the air he continued finger-banging my pussy until I felt the muscles spasm and my juices begin to squirt onto his hand. My clit throbbed as my pussy continued to convulse and I came hard, and several times, each glorious orgasm running into the next.

With my pussy still convulsing and my love juices still running down my thighs I begged him to “Fuck me with your big cock!” while grinding my pussy against the bench, trying desperately to keep the sensations coming. The stranger laughed and gave my upturned buttocks an encouraging slap, before moving behind me and nudging his cock against my hungry pussy.

With one hard thrust he was inside me, his thick knob opening the folds of my swollen labia as he slid his long shaft balls deep inside me. My pussy gripped it tightly as he began to hump me, and with each fierce thrust he forced me right up on my toes.

Pulling his shaft all the way out for a few moments he jammed his cock back in to its root in my pussy, making me stifle a squeal at the sheer joy of it, and I pulled my weight forward and started thrusting full force into his cock as we got into a rhythm. We went slowly at first, building up the tempo.

My pussy was squirting as my jiggling tits rubbed my nipples against the rough surface of the potting bench. He held my hips and pulled right out, thrust back in and loosed his seed deep inside my throbbing pussy.

I gulped for air as I came again and again and the guy who eventually introduced himself as Justin continued to pump me until he completely drained his balls.

I never found out his name, but I've had some fantastic wanks in that potting shed as I recall my dirty adventure.

A collection of all the weird and wonderful stuff we've found on the web this month. And if you've stumbled upon a great site you'd like us to feature, drop us a line at menonly@paulraymond.com!

## ONE-STOP SPECIAL OP SPECIAL OPS AGENCY

**http://specialopsagency.com**

A serious website for those – male or female – who want to experience some thrill 'n' kill in the real world, but without anyone, including themselves, actually getting hurt. If you've ever daydreamed about what it must be like to be SAS soldiers like Andy McNab or Chris Ryan during the day, and to spend your evenings in splendour like 007, go to this web address, focus your eyes on the tip of your nose, and look no further.

The Special Ops Agency isn't offering paintball games, but rather unprecedented access to Special Forces and Secret Service training.

Their program has been broken down into four core skill sets fundamental to all secret operatives: weapons, demolitions, espionage (tradecraft) and survival, evasion, resistance and extraction (and not of the dental variety).

"Once you have selected the skills you want, the environment and style in which you want it, we break each operation into Training and Missions."

Then, depending on your choice of activity, the SOA puts you through a mission or two during the day before wining and dining you like Daniel Craig in the evening, even if you've performed more like the present-day Roger Moore.

"So," says the agency, "whether you just want to learn to shoot a pistol properly, or to be the next James Bond… just get in touch."

Sounds fantastic, but given that you're being taught by real special operatives, prices for packages start at £2,850 + VAT per day per person. Hey ho.

## THINGS TO COME NEWS OF FUTURE

**http://www.newsoffuture.com**

According to some pretend seer named Pontus Edenberg, the Editor of this immensely professional online newspaper, "everybody wants to know all the big news of the future right now".

News of Future

Sez he: "News of Future is an independent publication that tells you what the world will look like in the next 50 years. We aim towards giving you the most accurate picture of the future as possible... We use the knowledge of today... with realistic predictions of the future.

"Since the future is constantly changing, so will News of Future. We publish the most likely scenario we know of today, but change it along the way to be as close to the truth as possible.

"We invite everyone to be a part... If your prediction or comments are realistic we might revise the news.

"And remember, sometimes it is not the right answer that gives you the solution, it is the right question..."

Wise words. And most wondrous of all, Pontus does his level best to make good on his promise. In addition to the professional layout, the stories are all well-researched future projections. For instance:

"November 19, 2040 – Icelandic Hydrogen Finally Pushes Gasoline Off the Road… July 1, 2030 – India is Now More Populous than China… January 22, 2040 – Pamela Holds the Future in Her Newly Grown Hand : Former French karate champion Pamela de Robien lost her left hand in a car accident and saw her career shattered. With regeneration her hand has now grown back and she's heading for the Olympics later this year."

Not that the Editor's question "What will you be doing in 2050?" is particularly welcome, since I know the answer to be, "Decomposing underground, but thanks very much for asking".

## QUICK PICKS

**Putting On The Frighteners**
**Creepy Pasta**
**http://creepypasta.com**

This is an oddball literary site which encourages its visitors to send in their very creepiest short stories for online posting.

Though many of the stories can be found elsewhere on the Web (if you can be bothered to look), and its real purpose is to shock, scare, and freak out its readers to the extent that they "go toilet" in their trousers and skirts, in short, it is the Internet's attempt to lure you away from sitting around a campfire listening to spooky stories your grandparents or parents might like to share with you some Halloween.

Submissions Now Open + Author Tag Request System

And this it manages rather nicely. Or nastily. You be the judge. Certainly the webmaster is very clear on the sorts of garbage he won't tolerate, so there's a welcome amount of quality and topic control, which is not something you can say about a lot of websites.

**Gosh Wow Oh No...WTF**
**Secret Technology**
**http://secrettechnology.com**

Visually, a total pig's lunch-date of a website, choc-full of conspiracy theories about any sort of hi-tech, top-secret military weapon you could ever imagine: killer plagues, and any class of secret, evil plans that governments around the world may have used and may well continue to use to exterminate massive numbers of people… more often than not just for the jollies of it.

The webmaster – who really should be given proper dressing down for the sorry state of this site with its appalling graphics, hopeless navigation and non-stop bad background music – claims bravely that all such evil plans will be exposed on his site and that he will somehow simultaneously manage to protect you from all the unknown disasters that are heading your way. I think he's bluffing.

In any case, just don't take the website's content too seriously and there will be no need to have you committed. I spent half an hour on there, and now I'm a gibbering idiot.

Thanks to the TV programmes, we're used to the idea of people wanting to get out of the jungle, but we reckon all you have to do is stick the glorious Nicole Aniston in there and they'd all be desperate to stay for as long as possible! But what does the girl herself reckon…?

"I'm not so sure! We all like the idea of getting back to nature, but the idea of being all dirty and smelly with a load of strangers doesn't really appeal to me, frankly. I much prefer the luxuries of home – a nice soak in the bath, pampering my hair and skin, snuggling up with someone I want to be with between some crisp, clean sheets…"

Well, now you put it like that, the comforts of home would take some beating. Not sure how crisp and clean we'd be able to keep those sheets if we were in there with you, though!

"Well that's the whole point, silly!"

# SAMANTHA BENTLEY

**Curvy Brit Samantha Bentley's been making quite a name for herself in the porn industry these last couple of years, thanks in no small part to her seemingly voracious sexual appetite and the unmistakable energy she puts into her scenes. She's stolen the show in a number of Harmony's most recent releases, and has now also starting wowing fans in America with her cock-hungry onscreen antics which have just bagged her a prestigious AVN award at the industry's 'Oscars'. And while we're on the subject of onscreen antics, porno fans may well have recognized her when she cropped up in season four of what's fast become the TV event of the decade, HBO's massive Game of Thrones (season five of which has recently started airing on Sky Atlantic – and Sam's back in it!). So we thought it was high time we hooked up with her to find out what it's like being on the inside of one of the biggest shows ever, and in some of the naughtiest bongo flicks as well!**

**Hi Sam, so tell us, how does a UK adult starlet end up in quite possibly the biggest TV show in history?**

Well, as any avid watcher of the series will know, both sex and nudity play a large part in the show, so I think it is only natural for the casting directors to hand out the smaller nude roles to those comfortable being naked, it makes for an easier scene if the cast is comfortable. My original audition was for season 3, the part of a contortionist. I didn't get it however, but they kept me on their books and called me back for the bath house scene in season 4… and there you have it!

**Who have you filmed with so far, and where do you shoot?**

In Season 4 I filmed with Davos and Salladhor [Stannis Baratheon's right hand man and his pirate buddy]… I cannot say who I am with this season as I cannot give away any plot secrets! All of my scenes have been shot in Northern Ireland, but the show is also filmed elsewhere around the globe…

**Do the sets look as good in real life as they do on the telly?**

Yes, it's incredible to see the detail up close. A privilege. It's like no set I've ever been on, it

was definitely an overwhelming experience.

**Were you a fan of the books or the TV programme before you first got a chance to appear in it?**
I had read the first book and swore I would read them all before watching the show, but after my part in season 4 I gave in and watched it all. It's addictive.

**Even the more mainstream actresses nearly all get their boobs out in the programme. Any particular favourites caught your eye?**
Emilia Clarke ['Mother of Dragons' Daenerys Targaryen] is my absolute favourite. Deanerys is such a strong female character. I love her.

**Any ideas if/when there's going to be a porno parody of Game of Thrones? Presumably you'd be a shoe-in!**
There have already been several, Axel Braun/ Wicked Pictures did one, as did Brazzers. Nope, I was not in either of them. Being in the show itself means I probably wouldn't want to do a porn parody of it…

**Fair enough! Can you give us any clues about what's going to happen this series? We've been told there are plenty more surprises in the pipeline…**
My lips must remains sealed I'm afraid!

**So which do you prefer – starring in adult films or appearing in *GoT*? And why?**
*Game Of Thrones* is my career highlight by far, but it's an unfair comparison – it's completely different. Would it win over porn overtime??? Probably not, there are days when I shoot porn and I think, 'THIS is the fucking dream'…

**If you could shoot an intimate scene with any of the cast members, who would it be? And please don't say Arya…**
I think Cercei Lannister would dominate me just the right way, her and Jamie in a BG… so twisted *(Ahem, yes, they are brother and sister! Not that that stops them in the programme – Ed.)* but oh so good!

**Have you got any theories how it will all end? Whose'll be the final bum to sit on the Iron Throne?**
I have absolutely no clue, the books are still being written, so I think at the moment it's anyone's guess, they kill off so many huge characters, no one is safe…

**So moving on from your appearance in *GoT*, what first attracted you to working in the adult industry in the first place?**
It was an accidental romance, I was modelling and more and more clothes came off, then I did girl/girl for the longest time and never really realised I was doing porn until the *Brooklyn Lee: Nymphomaniac* scene picked up best girl/girl at AVN…

**Are there any type of scenes you prefer filming? Why?**
I like anything that will push boundaries and shock people! What's the point in doing something that everyone else is doing. I always said that porn is for love, not money. I do this for the films and for the movies. If I wanted to fuck for money I'd be an escort and I sure as shit would make more than this!

**A little bird tells us you've recently bagged another award at the prestigious AVN awards. Can you tell us about that?**
My first ever scene with Rocco was for *Perfect Slaves 2* for Evil Angel. It is, to this date, the best scene I've ever done. It picked up best foreign sex scene and honestly, if it hadn't, there would have been an abundance of tears. Blood, sweat and tears went into that movie… I'm not kidding. I earned that AVN!

**So was working with Rocco all you'd hoped it would be?**
Yes and more. Rocco is a legend! I had been a Rocco Siffredi fan for years so I was a bit of a fan girl when I eventually got to work for him. I had heard that Rocco is notorious for sending girls home from set if they don't look like their pictures or if he doesn't like them, so I was nervous as fuck. But I guess I impressed because he had me back numerous times and recommended me for the scene with him in John Stagliano's *Voracious*, which is the most hardcore scene I've ever shot.

**Is Rocco the kind of guy you'd go for in**

**"I think Cercei Lannister would dominate me just the right way."**

**your everyday life? What's the secret of a successful chat-up?**
I like guys that are charming and funny and cool, I like an alpha male but someone that is confident enough in themselves to let me do my thing and not get bent out of shape. My guy is super chill and supportive of everything I do. That's important to me. Looks wise, I love tattooed boys and I love dark features, personality has to be intelligent, into music, funny and know how to handle me in bed. I'm a handful…

**Ha – we don't doubt it! So how do you like to relax when you're away from the industry?**
I spend time with my animals and I do a lot of yoga. Working in any line of entertainment is stressful – yoga is my time away from the world.

**And what are your plans for the future? What can we expect next from Samantha Bentley?**
I have a few things brewing, my initial plan is to maybe direct. That would be something I really want to do, although everything is on hold right now as I am in the process of buying my first house and it is eating all my time, money and energy! But everyone can keep up to date with my goings on at:

**Cheers Sam!**

Photos: Exposurezone

We honestly can't remember the last time we featured a girl who hailed all the way from Hawaii, but if the stunning Emma Mae is anything to go by, we're clearly missing a trick! We knew the islands had the reputation for being something of a paradise on earth, but it's clearly even better than that!

"Ha – don't get me wrong," interjects the girl herself, "I love Hawaii, but don't believe all the hype about it being a paradise on earth. It's got its problems, just like anywhere else."

Well maybe so, but if it can produce girls as horny as you, the place has got to be doing something right! All we need to do now is start saving up for a ticket…

# DANI

Photos: Iain T

Ah, if it isn't the ever-lovely Dani Maye, looking quite possibly lovelier than ever in this scene that could be right out of some sort of 19th Century English idyll! All we need to make the scene complete is the tinkling of a china tea set in the background, and maybe the sight of blossoming orchard peeking in through the window! Mind you, olde worlde charm's all very well, but the bench and the dresser wouldn't be half so enticing if it weren't for the, er, undresser sprawling out in front of them!

"Cheeky! Still, I think it's a lovely room," says Dani, fiddling with her suspender belt a casting a lazy eye about the place. "I'd love to have a house like this. I'd just sit about being all prim and proper – maybe doing some needlework or something – waiting for my man to get home from work, and then…"

Well quite – it's the and then bit we're most interested in, Dani!

## Unbroken

Universal

You'd have thought that after all this time, all the films about real life examples of incredible heroism and endurance that occurred during WWII would have been made, wouldn't you? Then again, it WAS a big war, and clearly there are still plenty of veins to be mined…

And there's no two ways about it, the real-life tale of American Olympic athlete Louie Zamperini is, indeed, pretty staggering. He competed at the berlin Olympics, for starters, where he didn't bag any medals but performed pluckily in the 5000 metres, but his real pluck only showed itself when his bomber is downed in 1943 and he ends up in a Japanese POW camp, where one particular guard really got it in for him!

His survival is, well, inspirational, and director Angelina Jolie never lets us forget it! Even if everything in the film is the gospel truth, sometimes a work of art needs a little more nuancing, and while Jack O Connell (now Charles Gray as well!) puts in a strong performance – as does Takamas Ishaha as his tormentor) – the pacing and the tone are a bit flat. Admirable and humbling, but not as great as Zamperini merits.

## Midnight Run

Second Sight

Films from the 80s aren't all dodgy hair and dodgier synth soundtracks – there are quite a few classics in there as well, and this offering from director Martin Brest is surely somewhere approaching that status. If you haven't seen it, Robert De Niro plays bounty hunter Jack Walsh, who's got the seemingly straightforward job of escorting a bent accountant (Charles Grodin) to LA. Trouble is the mob are after him, as are the Feds. A zingy script, a great chemistry between the two leads and a pristine new blu-ray release – what's not to like?!

## The Device

Image Entertainment

From the earliest fairy tales, the deep dark forrest has held hidden dangers, and it seems we still can't quite slough off our suspicion of what's lurking there. This flick sees two more or less estranged sisters (played by Angela DiMArco and Kate Alden) reuniting to sprinkle their mother's ashes in a remote spot, only there's more at hand than just grief and a (rather inevitable) family secret – there's a horrible alien device out there as well! If that sounds like two or three different films mashed together then you're right. Ambitious alright, but a bit half-cooked.

## The Hobbit: The Battle Of The Five Armies

Warner Home Video

And so it ends at last, a full, er, donkey's years after Peter Jackson first got stuck into Tolkein's magnum opus. If you've seen the rest you'll know what's in store – huge set pieces and more CGI wizardry than Gandalf could ever dream of. The Dwarves, firmly ensconsed in ?????? are all set to withstand a siege from the (rightly) aggrieved Rivermen and Elves when a load of Orcs pitch up to make things even more interesting.
The battle scenes are huge (if a bit silly at times) and the overall effect really is pretty breathtaking. A fitting end, frankly.

## What We Do In The Shadows

Metrodome

Mixing horror and comedy goes back a long way in cinema history, often with great success (*Young Frankenstein*, say), so we were intrigued by this offering from New Zealand, which sees *Flight of the Conchords'* Jermaine Clement team up with three others as a household of vampires trying to live their unlives as discretely as possible. There are loads of great gags as the four of them struggle with modern customs. It's lo-fi, but the scrips and performances are bang on, making this a very enjoyable and funny flick indeed.

## Mortal Kombat X

Warner Bros

XOne, X360, PS4, PS3, PC.

Cast your mind back a generation and see if you can remember what video games were like in those days. Pretty bloody basic is the answer, and yet this franchise dates all the way back to 1992 – not exactly Space Invaders, I grant you, but still old enough to have pretty, well, noddy in it's original incarnation.

Step forward to 2011 and, just like pretty well everything else in existence, the MK brand got a rebooting – a digital sprucing up to make it appealing to aging gamers who remembered it from the old days, and the youngsters who weren't going to be happy with the rather rudimentary nature of the elderly versions. And no, lo – 2015's arrived and here's X, the 10th proper title in the franchise that's still going strong. There's a massive sprawling (but by and large daft) storyline to get your head around, and they've thrown the kitchen sink at it in terms of the number of MK characters that get a look in. But hey – if it's an out-and-out fighting game you're after, you've still got a long way to go to beat this one. Hours of mindless fun await!

## COUNTRY BUM-KING!

I've always loved the great outdoors. There's something liberating about being out in the countryside, and some of the happiest moments of my life have taken place in the wilder parts of rural England. I grew-up on the edge of town and spent most of my free time with the horses, or walking the neighbour's dogs – any excuse to get away from suburbia for a few hours. I loved to watch the sun setting with the sound of blackbirds and thrushes singing and the smell of honeysuckle hanging thickly in the air.

The boys I dated didn't admire the scenery in the same way I did. They were only there because I was there and they wanted to be with me in case some kind of reward fell their way. Will was one of those boys, but he was different – I was interested in him because he obviously loved being in the countryside as much I did. He came out for walks because he loved walking; watched the sunsets because he loved the way the sky changed. I quickly came to love him because of the things he loved. I wanted to be with him and share myself with him.

The memories of how we started dating jacked-up my hormones as Will drove us deeper in the English countryside for a weekend away. The close confines of the car helped as well. I was achingly aware of everything about my man. He smelled great – a heady mixture of aftershave and fresh sweat. I'd watched proudly as he'd chopped enough logs to fill the boot of the car at the local farm. Where was he taking me this time?

It was a little cabin at the end of a long muddy drive. There were no phones, no TV and no central heating – but just the right amount of mod cons with running water and electricity for a hot shower and bottled gas for cooking. It was the perfect setting. I cooked while Will set the fire.

By the time we'd shared a meal and a bottle of merlot, there was a crackle of sexual energy. There was romance in the air as we snuggled-up together in the firelight. It was hot in that little cabin as we burned some of the pile of logs - too hot for clothes. We never dared to sit nude in our lounge at home, but here we were guaranteed that there'd be no interruptions. Our hands wandered, for a while doing all the talking that was necessary. The sexual energy rose and Will's cock rose with it to a full erection. I ignored it for as long as I could, teasing him – but teasing myself more.

"'Jesus, Jess, you're soaking', he laughed as the slurpy sounds of my pussy filled the cabin."

Eventually, I gave in. I leant against Will, nuzzled against the side of his face and whispered. "I'm going to give you a blow-job." He groaned a happy response and I saw his cock jumping with anticipation. I hungered for him, I wanted him so much.

Taking it nice and slow, I used my hands first, stroking him. Then I started with my mouth, sucking and licking his cock. Suddenly the fire wasn't the hottest thing in the room. The heat in my mouth was much more intense. I wanted to take him to completion and tried not to be impatient – we had all night and we were alone in the middle of nowhere. Just Will and me, just how I'd always wanted it to be. I sucked and felt his body rise in response. He sighed an approval and ran his fingers down my back, and down into the groove of my pussy.

"Hmmm, it's very hot down there," he said. "And wet," he added, as his finger pushed between my labia and then deeper. I closed my eyes and squirmed as his fingers tickled their way inside my body. A loud moan escaped as Will twisted them inside, stretching the walls of my pussy in the most wonderful way. For once it didn't Willer how much noise I made as there was no-one to hear. I didn't have to control myself and happily grunted and groaned my appreciation. But really, I wanted Will's cock inside my pussy. The thought of him fucking me in front of the roaring fire made my pussy throb.

Perhaps Will was having the same fantasy as he escaped from where he was sitting and moved round behind my exposed bum. I'd been expecting him to tease me, or to lick me but he seemed to know how best to please me and simply placed the head of his cock against my entrance and pushed forward. My back arched as he speared into me. "Ooooh fuck!" I screeched, loving the freedom of not having to consider the neighbours.

"Jesus, Jess, you're soaking," Will laughed as the slurpy sounds of my pussy being fucked filled the cabin. My gasps and groans added to Will's determined grunts. His hands gripped my hips and we found a wonderful rhythm as I slammed back against his thrusts, maximising the penetration of each and every stroke. My fingers knotted around the cushions as my body quickly built towards a crescendo. My insides felt incredible. Will knew exactly what he was doing and I felt the first jolts of my orgasm. It flared and I made all sorts of noise as the pleasure consumed me.

"The thought of him fucking me in front of the roaring fire made my pussy throb."

"Don't go anywhere," Will said sternly after I let-out a final sigh of appreciation. It felt naughty to be naked on the settee with my bum high in the air. Will obviously thought the same. He moved into position behind me and I shrieked as he smeared something cold between my buttocks.

"What are you doing?" I asked, already knowing the answer.

"Your bum just looks so perfect in the firelight," he said, shrugging apologetically. And with that, he pushed a slippery finger into my bum. This time he made me sigh. It was very naughty – but it felt amazing. Will took his time, working my bum with his fingers until I was begging to be filled by his cock. His groundwork meant I was so stretched and lubricated that his cock slipped inside without any effort. The feelings were extreme and I was seeing stars as he started moving his hips, grinding his cock into me. My hips circled and I found myself matching his every thrust. He built the pace slowly and gradually went harder and deeper. Eventually, he was withdrawing until only the head of his cock was inside my bum before filling me again. It felt like he sent me of the edge of an orgasm a hundred times over, and I had to be careful as I played with my clitoris since I wanted it to carry-on forever, never wanting the intensity of the feelings to subside.

"He moved into position behind me and I shrieked as he smeared something cold between my buttocks..."

I did my best to balance the pleasure right at its peak without actually tipping myself over the edge in my second orgasm. But it became too much, I wanted another cycle of ecstasy. "I'm going to come… any sec," I sighed, half-closing my eyes. Will groaned and drove his cock right in but didn't pull back out. I felt his cock jumping inside me and as it did, I rubbed my clit a little faster, making my empty pussy clench as I came really hard.

I smiled up at Will. "For such a dirty anal slut, you've got a very angelic smile," he teased, earning himself a playful punch. We showered before 'hitting the hay' and listened to the logs crackling on the fire from under the thick duvet. We had intended to be up early to watch the sunrise together, but as the day started we were much too busy doing what came naturally with each other to leave the bed. Nature would have to wait for another day.

# VERY PERSONAL ASSISTANT

I've been pretty lucky with the Personal Assistant who started working for me last year. Debbie is efficient, conscientious, hard working and sunny; I don't know how I would've coped in my new job without her.

A little while ago, not long after the Christmas party, a friend of mine from accounts went home with Debbie and told me a few days later that she'd taken it up the arse.

This was hardly a gentlemanly thing to boast about, but I listened anyway and saw Debbie in a completely different light after that.

Apparently, she'd been keener about getting his cock in her bum than having it in her pussy, and I have to admit, I wanked off a couple of times thinking about her that night and really wanted to sample this side of Debbie for myself.

> “She parted her knees and bent them, and I stuffed my mouth into her crack”

Fortunately, Debbie is devoted to me and had made it clear that she thought I was a great guy to work for/with. I wondered if this would translate into skin terms and decided the only way to find out was to try.

So, at the end of one particular afternoon, I asked her to step into my office for a little chat and we talked about business for fifteen minutes until I was sure everyone else had gone home.

My cock was rock hard in anticipation of what I was going to do and I hoped she wouldn't freak out.

“Will that be all?” she asked, when we'd cleared away the last of our business.

“Just one more thing,” I said, walking around behind her. “Do you think I'm a good boss?”

> “Debbie complied without question, pulling up her skirt to reveal a tight little pair of pink panties.”

“Oh yes, the best I've ever had. I'd do anything for you,” she agreed.

“Anything?” I asked again.

“Sure, that's what a PA is for, isn't it?”

I was almost coming in my pants as I worked up the courage to ask her to suck my cock, and in the end disguised my nerves with a laugh and jokingly asked her to lean across the desk and show me her arse.

To my utter amazement, Debbie complied without question, pulling up her skirt around her waist to reveal a tight little pair of pink panties half-covering her bum.

“You really don't mind doing this for me?” I asked.

“Of course not, what sir wants, sir gets,” she said. Debbie had never called me sir before and it stirred my loins like crazy.

> “I slid a finger inside her pussy, then another inside her arse.”

Before I knew what I was saying, I was telling Debbie I wanted to rim her between the cheeks and fuck her little arsehole, and Debbie was replying, if that was what was required of her, then I should just go ahead and do it.

I pulled down her panties and sunk to my knees behind her. She parted her legs and bent them at the knees and I stuffed my mouth into her arse crack.

I prodded and probed her sphincter with my tongue as I held her cheeks apart, and soon Debbie's cunt was dripping all over my chin.

I pushed a finger inside her pussy, then slid another inside her arse, making her moan as I fucked her in both holes at the same time.

I fingered her just enough to open her up, then pulled my cock out and stuffed it hard up between her cheeks.

Debbie howled as I did this, so I slowed down and let her grind back against me at her own pace until she was totally speared on my dick.

“Tell me to fuck you,” I said, so Debbie started repeating it over and over again.

“Fuck me sir, fuck me in the arse. Oh yeah, that's it, fuck me in the arse.”

I pumped my cock in and out of her fudge funnel as she squirmed across my desk and my thrusts got harder as her pitch became higher.

“That it sir, fuck me. Fuck me again!” she was hollering at the top of her voice, and I banged my cock in and out of her tight little arse until I felt my mercury rise.

> “She squirmed across my desk and my thrusts got harder as her pitch became higher.”

“I'm going to cum. I'm going to cum,” I moaned, so Debbie told me to cum inside her. “No, I want to do it over your face,” I corrected her.

“Yes please sir,” she moaned, pulling herself free and turning around just as my cock started to squirt.

She smiled up at me as my spunk splashed all over her nose and chin, then opened her mouth and gulped as I emptied the rest of my sticky deposit down her throat.

“Will there be anything else, sir?” she asked, pulling her knickers back on.

“Only that I'm probably going to need to do this a lot from now on,” I said.

“Of course, at your service,” she said, then added, “sir.”

Well, our desiccated husk of a porn reviewer has somehow managed to file his copy again this month, but surely it can't be long before he shrivels up altogether, can it?

## Barbarella

Wicked

4/5

**Cast:** Riley Steel, Asa Akira, Channell Heart, Rachel Madori, Priya Rai, Jessica Ryan, Selma Sins, Tera Patrick.

WICKED COMIX PRESENTS
BARBARELLA
AN AXEL BRAUN PARODY
2

From all the films from the 60s, there can't be many that were quite so guaranteed to get the blood pumping to a red-blooded bloke's old chap quite so quickly as Roger Vadim's *Barbarella*, which hit the ground running with a super cute Jane Fonda doing a zero gravity strip to reveal teasing glances of her spectacular bod. Why it's almost a parody of itself to begin with, which doesn't half make things easy for a porno parodist like Axel Braun who might come along nigh on 50 years later to do a scruff version! Things kick off in just the same way, only this time it's comely pornster Riley Steele doing the floating/stripping, before Tera Patrick (a non-sex cameo, sadly) tells her she needs to track down Duran Duran and get back the deadly positronic ray.

Thereafter things start to deviate from the original a bit – Erics Everhard and Masterson are dressed like a couple of dweeby Santa Clauses, but they've soon got their knobs wedged in Barbarella's gob all the same. She does a game job of keeping the lads entertained and ends up with a faceful of smoo for her troubles, and with little further ado she's chomping on Alec Knight's old chap as well. She takes a nice little tit-fuck, and then he splashes off before he's actually shagged her! Well, to be honest I might just have done as well. Poor Pygar the angel doesn't get a bunk-up (unlike the original) but there's plenty more fun and games to be has inside evil Asa Akira's palace… although it does all feel a bit rushed in the end. Fun, but not as good as it ought to have been.

## Red Hot Latinas

**Cast:** Zuleidy, Rebeca Linares, Tristan, Alexis Love, Isis Love, Adriana.

PRIVATE
ZULEIDY
Red Hot LATINAS

I never paid much attention to Latin when I was at school, but if it was likely to help me pick up any of these cuties, it looks like I missed a trick. *Ave et vale*, darling. Things kick off with two very similar looking lovelies in Tristan and Alexis Love. They've both got taut bodies and long, shiny dark hair. ANd they also clearly share a taste for snizz, because it isn't long before they're lapping away at each other's ladyparts. There's some nice close-up work of fingers, tongues and finally a perspex dildo reaching the parts other beers can't reach, but it's an interesting gambit opening with a lesbian scene rather than tucking it away half-way through.

For those who like a bit of cock in their scruff, Adriana Luna is on hand to grapple with one next. She's dolled up like a maid, and it's a pleasing enough pairing, but things really get going in the next scene, which seems super cute Zuleidy taking a pronging every which way from her very lucky stud.

Isis Love keeps the balls rolling nicely, before Rebeca Linares cranks the temperature up with a sizzling DP scene at the end. Talk about a *boner fide* performance.

## Big Tits In Sport 15

Brazzers

5/5

**Cast:** Ava Koxxx, Bonnie Rotten, Rachel Roxxx, Nina Elle, Aryana Augustine, Veronica Vice, Keira King, Sammie Spades.

Brazzers is an American firm, but they're clearly clued up to UK talent, because the first pairing sees Ava Koxxx (the UK's tallest pornstar, no less) teaming up with Danny Dyer. The 'sport' that precedes it is a rather curious concoction that sees four big-titters playing some sort of volleyball on a bouncy castle, but it isn't long before the fun and games become rather more intimate. Ava slurps away on Danny's impressive pole before he slots into her, spoons. The pair of them keep up plenty of dirty talk throughout, and she really does look a treat impaled on his rod. They keep it up for nigh on half an hour before she gets the facial she's clearly craving – all in all a very game opener.

We're clearly back in the States for the second bunk-up, which sees heavily tattooed Bonnie and her chum Rachel taking on a couple of Lucha Libre stars. These girls really are mucky, and work their fella every which way. Apart from anything else, they both take a DPing (twice each, if we're counting) in a scene that's absolutely dripping with intensity, so if you want to see two girls really working their arses off in tandem, this is a pretty good place to look.

The next scene, inevitably, is a little more sedate. Ayrana's into kick-boxing (and with her toned bod, maybe she really is), and a lengthy solo shower scene gives us a chance to get our breath back before she hooks up with her coach for a ringside shafting. They're a very comely pair, and her body looks near flawless as she rides him, so all in all a welcome change of pace to bring things back to solid spec scruff.

Blonde Elle's pumping iron in the gym, but it's soon her pink pussy getting pumped courtesy of not-so-healthy pal (some great rimming shots here) before Danny returns to show Veronica what's what. Throw in a bonus 3-way scene and there really is very to argue with here!

**Cast:** Melayne Vilhena, Britney Bitch, Julia Souza, Sabrina De Castro, Monik Lorran, Bruna Butterfly, Leticia Yanovici.

HARMONY SHEMALE
TRANS TRANS
REVOLUTION
HD

Like most guys, I suspect, I like my grumble flicks to feature a goodly number of tits and a few cocks, but not, generally speaking, appended to the same individual. Trans porn is a bit of a speciality too far for me, but I couldn't help being intrigued when this arrival from Harmony pitched up…

Well, as I suspected, the opening scene, which co-stars cover 'girl' Melayne, features one more knob than is strictly necessary, and for the most part it stays resolutely flaccid – rather like mine did. The next scene, though, actually finds room for a girl, who ends up in the disconcerting position of being DPed by a couple of transgender types. A bit of an eye-opener, that one, but sadly that's the only vagina on display in the entire film. If you fancy something (or, indeed, people) a bit different, then feel free to give this one a try – but it won't be everyone's cup of tea. **Available from your local sex shop.**

## Big Boobs in Uniform

Paradise Film

3/5

**Cast:** Emily B, Jasmine Jae, Brooklyn Blue, Victoria Summers, Ely Pink.

BIG BOOBS
IN UNIFORM

Uniform, eh? That put me in mind, inevitably, of policewoman, traffic wardens, nurses, firefighters etc, but the producers of this flick clearly had other ideas. Jasmine Jae, for example, is a tennis coach, although in the little dress she's got on it's a lot more than tennis balls that are bouncing. Without actually seeing a shot being played, she's returned to the changing room with her stud, and, well, she's working on more than his backhand. Plenty of nice angles are employed as he pounds away, and she's certainly got his strokeplay coming along a treat by the time he splashes off over her boobs.

Other work-related porkings see Ely as a cockhungry barmaid, Victoria as a (very) personal trainer and Brooklyn as the sort of masseuse guaranteed to deliver a happy finish. No sight of Lifeguard Emily B, though – she's on the sleeve, but I couldn't find her on the disc, which is odd. **Available from your local sex shop.**

# Arlene

*Photographs by Mike Bramman*

Volume 40
Issue 6

WWW.FREEPDFMAGAZINES.ORG

*As great American poets, from Walt Whitman to Robert Frost right up to the present-day Bob Dylan have often lyrically observed, the great expanse of the North American continent tends to make instant migrants of all the people who live on it.*

*The elegant Miss Arlene Griffin is one of the new breed of urban nomads whose restlessness is matched by their enjoyment of the migrant's role. As she herself puts it: "I live and love across both borders, trip easily east and west from coast to coast."*

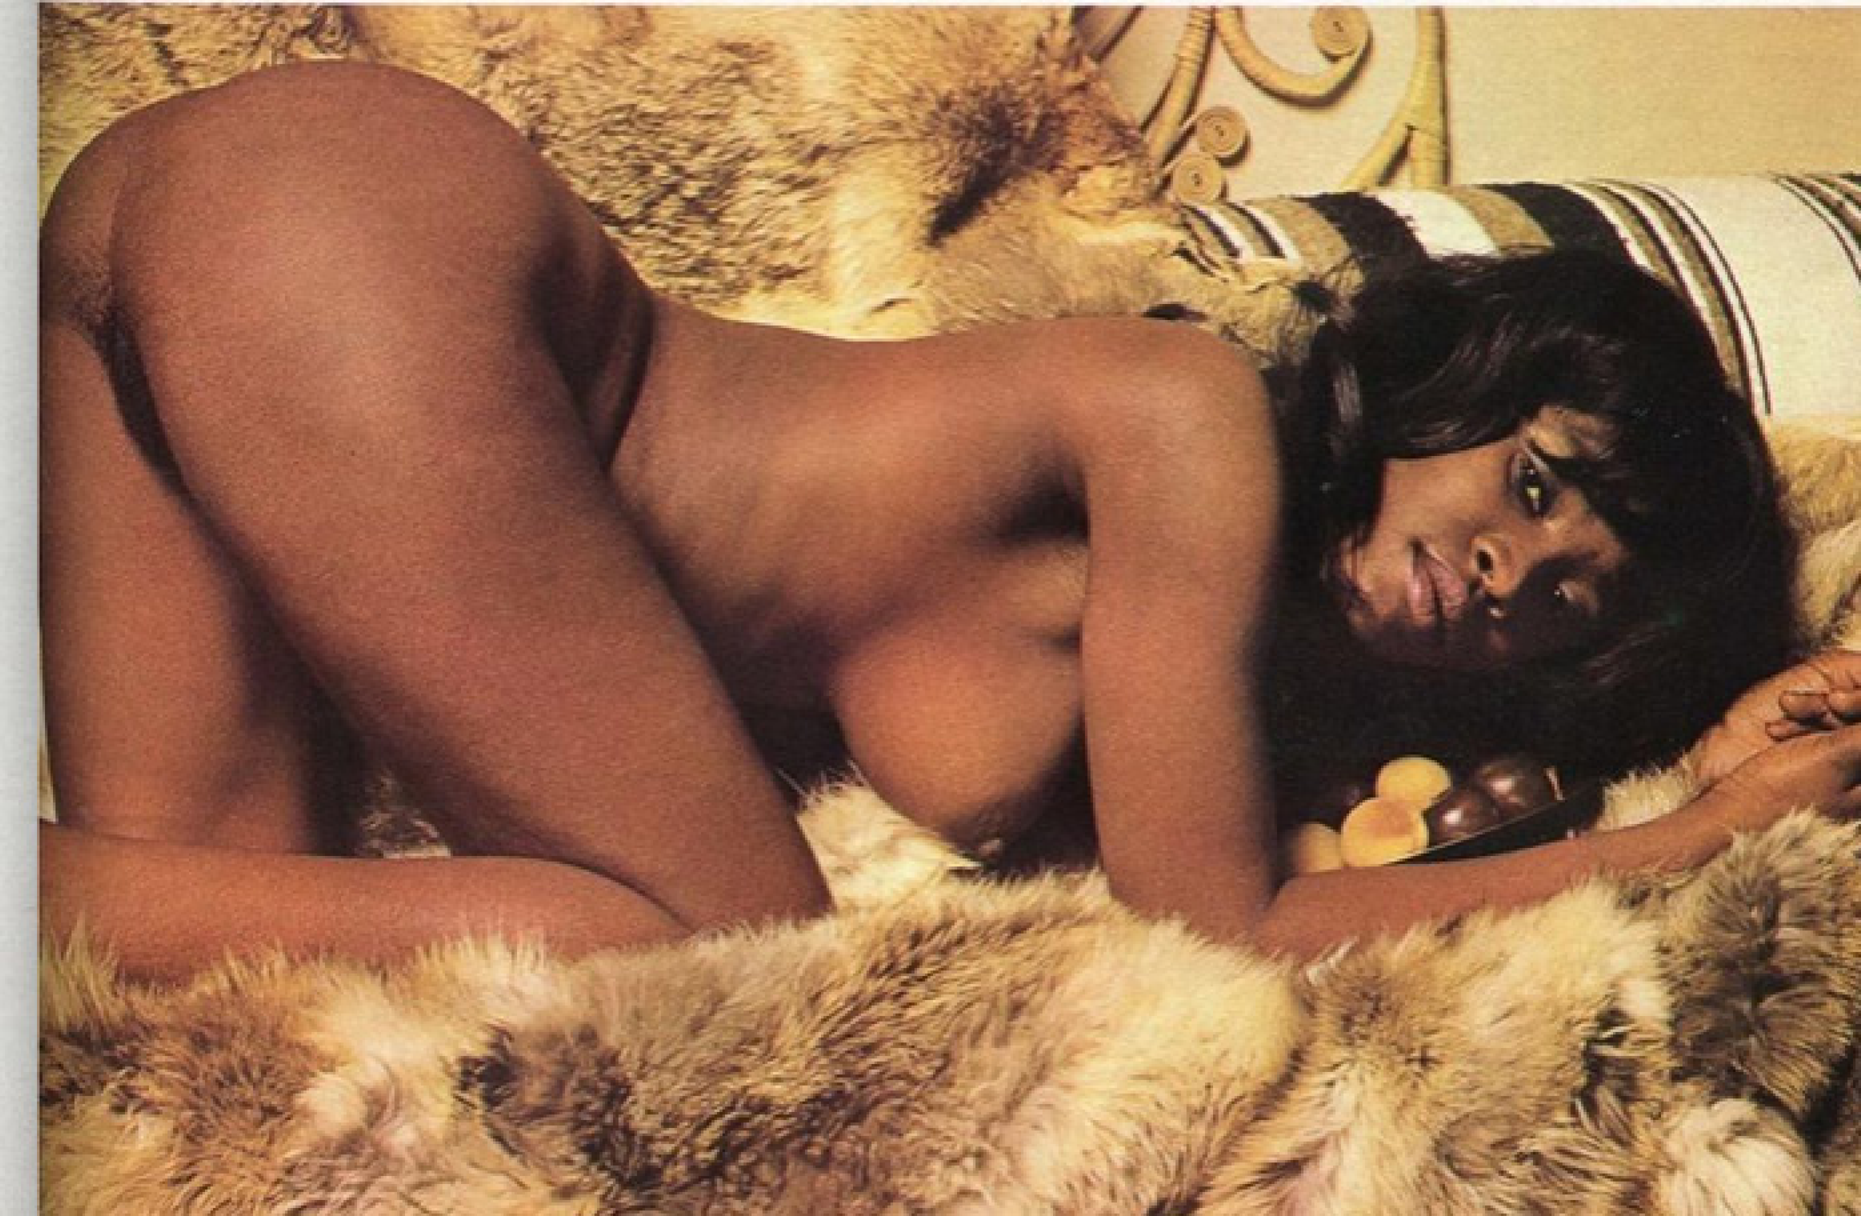
*Since she decided that the nine-to-five routine was something of a bummer for her, Arlene has sallied from her job as a switchboard operator in New York – and her swish apartment there – to spearfishing in Mexico, ski-ing in bright Colorado and otherwise passing her time among the friendly natives in such ports of call as San Francisco, Santa Fe, Miami and a charming bohemian community near Taos, New Mexico. An itinerary to make one's head spin with jet lag, but the casually graceful Arlene takes it all in her stride.*

*What's more, Arlene had descended upon these localities without knowing anybody in the area, but, as she candidly puts it: "The way the hip scene is, if you look the part, you're in. Kids move around so much today that when I go to a town I've visited before, I never find the same people there. But on the other hand, I find it pretty easy making new friends!"*

*We bet. One certain way to strike up a conversation with most representatives of Arlene's generation is to mention politics. Arlene finds that wherever she goes, she hears an alarming amount of talk about revolution among her socially alert but alienated contemporaries.*

*21-year-old Arlene herself follows current events both at home and abroad with almost religious fervour. Although she digs ski-ing or taking part in games like volleyball and squash, she's more likely to be found watching a television newscast, or making her way through a volume by one of her favourite radical philosophers, such as Herbert Marcuse, Paul Goodman or the legendary Russian anarchist Prince Kropotkin.*

*It seems crystal clear that Arlene isn't just a pretty face; and that she isn't pushing her particular life-style, just the freedom to choose.*



# ANISSA

Photos: Sage Style

Vive la France! Well, vive it if it promises to carry on producing curvy porn flampers like Anissa Kate, in any event!

"Ah, I'm sure it will!" she smiles. "French women are famed for their passion, and I was by no means the horniest girl in the village I grew up in!"

Really – there were hornier girls than you knocking about? Then why haven't we heard of them?

"Well, not everybody is cut out for the life of a porn star. A lot of my old friends preferred to keep things local, but I know that whenever I go home there'll be plenty of friends there to help me pass the time as sexily as I want!"

Hmm, perhaps it might be an idea for you to share the name of your village with us – we're pretty sure we could drum up some extra tourism for the region!

"I'm sure you could, but my lips are sealed – I'm keeping them all for myself!"

# FRIDA

Photos: Scott Ward

Super-cute Frida clearly spends a good bit of effort on her depilation routine – we couldn't spot a single stray hair anywhere on her, and believe us, we spent a bloody long time looking!

"Well, I wanted to look my best for this shoot, and guys are always saying how much they like it when my pussy's totally shaven, so I wanted to make sure I got it just right! After all, once the pictures are in the magazine they're there for all time, and who wouldn't want to look their best?"

We commend your dedication – that's a spectacularly smooth smoo, and yes, it certainly does show off your stunning pussy lips to wonderful effect!

## Issue 80.06
## on sale May 29th

Blimey, to think of it – by the time 80.06 hits the shelves all this election guff will be over and done with, and we'll be able to switch on the telly of an evening without having some besuited bore babbling on about the deficit or how many trillions they're going to spend on the NHS. Quite frankly the whole nation will be heaving a sigh of relief – and the good news is there's even more relief to be had courtesy of the cracking totty we've got lined up for your delectation – totty like Shay Laren and Jenny Smith for starters!
